

Road Closed

Valley of the Giants Road

(east of Vigus Road to west of Pascoe Road)

Road Closure Update – Access to the Valley of the Giants Tree Top Walk

The Shire of Denmark has advised that a section of Valley of the Giants Road is currently closed due to significant damage to the bridge located east of Vigus Road following the recent weekend rain event.

The Valley of the Giants Tree Top Walk remains open and accessible to visitors.

Visitors travelling from Denmark via South Coast Highway can still access the Tree Top Walk using the western entrance to Valley of the Giants Road, as this section of the road has not been affected by the closure.

For further information regarding the road closure, please visit: <https://www.denmark.wa.gov.au/news/>
