

VALLEY OF THE GIANTS TREE TOP WALK

EXPLORE THIS ANCIENT EMPIRE

Class 1 and 2

Distance: 650m total (500m all abilities)

You are about to enter the Ancient Empire – a grove of giant red tingle trees that are unique to this area.

With boardwalks and sealed paths, 500m of this trail is suitable for all abilities including wheelchairs and prams. A further 150m of the trail has steps.

Along the way you can meet Grandma Tingle, learn to identify the different trees and enjoy the sensation of standing inside a living tree. Find out about the inhabitants of this forest as you wander around and through the tingles.

Use your senses to explore this Ancient Empire. Listen for the birds calling from the undergrowth and the wind in the treetops, smell the eucalyptus leaves and look for wildflowers or fungi.
